

SafetyPro 250

HIGH VISIBILITY BARRIER

The SafetyPro is a heavy duty portable barrier specifically designed for restricting access to work or cleaning areas. Manufactured from .055 gauge steel with a solid cast iron base SafetyPro has the durability to withstand years of wear and tear in working environments. The Xtra model features a 50% wider belt making a more visible barrier and giving much greater impact to printed safety messages.

Cast iron base with replaceable anti scuff cover
